

TEAM SYNERGY WORKSHOP

BECOMING 1 TEAM 1 VISION 1 FORCE

Specially for Business Work Units.

2 day

Workshop Objectives:

- To face and accept the realities around them.
- To explore the fundamentals that make up a powerful team and assess themselves with this.
- To develop a 'WE' mindset replacing the 'ME' attitude.
- To explore and internalize the 'What Can I Do' approach to their day-to-day.
- To be the catalyst to grow the team culture in the work group.

If the team is not pulling together, they are pulling apart. This is terrible, a group of people paid to work together but end up in silos. The key difference to success can be them combining and supporting as one.
